Please be aware that following the final week of Bulk and Brush Pickup, the Marlboro Summer Roads program will begin and no lawn debris (brush or leaves) may be curbside until fall. Bulk and Brush items can be removed by a private contractor or brought to the recycling center with no charge or permit required. See below for more.

Please note the following for all curbside collections:

- All items must be curbside by 7AM of the first scheduled pick up day for your zone, but no earlier than the weekend prior
- Items may not be commingled. If brush and bulk are scheduled at the same time, please clearly separate them. Items must be set out curbside- not on the roadway, but on your property near the street
- Once a street is completed, DPW will not return to that street. If you miss your zone's scheduled pick up, see below for recycling center guidelines, or you may arrange for a private contractor
- It can take up to a week for DPW to complete all pick-ups in a zone, but once a truck has cleared a street they will not return (large appliances may be collected separately)
