

## **ROAD CONSTRUCTION NOTICE – Week of August 29, 2022**

Please see below for road construction notices in process and upcoming.

Should you wish to report a pothole, please use our convenient, on-line [POTHOLE PORTAL](#)

Recycling Notice: Occasionally, a road closure will prevent a scheduled recycling collection. Should this occur, please email [publicworks@marlboro-nj.gov](mailto:publicworks@marlboro-nj.gov) with your address and they will confirm a makeup date.

Mayor Hornik announces \$35mm 7-year road construction plan as an extension of his existing \$10mm road repair initiative. [MORE...](#)

### **ROAD TO CLOSE – CONSTRUCTION ADVISORY –DETOURS IN PLACE**

*The scheduled time frame for this work is weather-dependent, and every effort will be made to minimize any inconvenience to residents during this time.*

**School Road East** – Tuesday, August 30 to Friday, September 2, the Gordon’s Corner Water water main project between Debra Court and the Colts Neck border is underway. The project will consist of the installation of approximately 6,500 linear feet of water main including service connections for all applicable residents and hydrants where required. Gordons Corner Water Company has contacted all affected residents. Questions should be directed to Gordon’s Corner Water at 732-946-9333. Please direct traffic/detour questions to 732-536-0304.

### **CONSTRUCTION AND FACILITY ADVISORY**

**Marlboro Recreation Facility** – Paving at the Recreation Center parking lot is complete and the lot has been striped. Electricians are completing the lighting repairs.

**Brookside Circle** - Water Main Replacement project has not yet commenced and is tentatively scheduled to begin over the next couple of weeks. Test pits have already been completed, and much of the materials have already been delivered to the site.

**Marlboro Airport Property** – NJ Transit, in cooperation with Monmouth County and Marlboro Township, is using the airport site (preserved land) to perform AVATAR (Autonomous Vehicle Assessment, Testing & Research) to evaluate the use of autonomous vehicles as shuttles to improve community transportation in NJ. The area is fenced in as set up is underway. Please do not enter the area without permission. To learn more about this project, visit <https://www.njtransit.com/Avatar>

### **UPCOMING – FUNDED IN PART BY NJDOT GRANT**

**Wyncrest Road:** The Township will be repaving Wyncrest Road between Robertsville Road and Route 18 utilizing a \$215,000 grant received from the State Department of Transportation. This work is being coordinated with water system improvements at the intersection of Robertsville Road, Wyncrest Road and Brookside Circle. Once the water main project is complete, Wyncrest Road and Brookside circle will be resurfaced along the project limits along with upgrades to the ADA curb ramps. The water main work was awarded in the fall of 2021 with construction to begin in the spring of 2022. Resurfacing of the roadway is scheduled to commence in the fall of 2022.

**Ryan Road** - Mayor Jon Hornik and the Township Council are pleased to announce that Marlboro has been selected to receive funding from the NJ DOT Municipal Aid Program for the Ryan Road improvement project in the amount of \$251,900. More to follow.

**Union Hill Road:** The Township will be repaving Union Hill Road between Clayton Road and the Manalapan border utilizing a \$205,000 grant received from the State Department of Transportation. This work includes removal and replacement of deteriorated concrete curb and concrete curb and gutter, modifications to the intersection of Hawkins Road to improve the pedestrian crossing, upgrade of all curb ramps to meet ADA regulations, and the milling and

resurfacing of the entire roadway surface. Contingent upon funding, the project is anticipated to be bid in the spring with construction commencing in the summer/fall of 2022.

*The scheduled time frame for roadwork is weather-dependent, and every effort will be made to minimize any inconvenience to residents during this time. Please call Marlboro Traffic and Safety at 732-536-0304 with further inquiries.*
