Swim Camp

The Marlboro Swim Club Day Camp is a 7-week program that runs Monday through Friday from 11:00 am to 4:00pm. Campers must be between the ages of 4 and 9 years old. Daily activities include recreational pool time, playground activities, sports, arts and crafts, themed weeks, and more! You'll see new events on the 2020 calendar this year!! Swim with a mermaid and swim lessons will be NEW this year for the Swim Club Day Camp. Parents will receive a calendar of events prior to the season and will receive reminders during the season so that no campers miss out on the fun. Swim lessons will be included in the camp price. Lessons will be 2 days of week for 6 weeks, based on the level of swimmer the camper is. ALL campers will be involved in Color Wars and our end of the year Camp Show.

Our camps are held solely on the ground of the swim club and are staffed with adult supervisors, counselors, and an on-site EMT. Each grade level has a supervisor and counselor to camper ratio depends on the group size and age. For our younger campers our minimum ratio is 6:1. For our older campers our minimum ratio is 8:1.

Sports Camp

For children ages 8-12 we offer a camp with a complete emphasis on sports. This camp is held within the swim club grounds but also utilizes the facilities adjacent to the club. We have access to basketball courts, tennis courts, wall ball courts, soccer fields, and baseball fields.

During this 7-week program campers will learn and develop a variety of motor skills that can help improve their game. Our supervisors and counselors create schedules that incorporate time to work on individual skills, team building, and game knowledge. Once campers acquire an understanding of these components they will move on to competitive games. Throughout the camp season there will be various individual and team awards given to our campers who are improving, working hard, and showing good sportsmanship!

Not only will be the 2020 Summer Olympics be held in Tokyo this year, we will be hosting our own version of the 2020 Summer Olympics at the Marlboro Swim Club Sports Camp. We are also looking forward to having Marlboro Mustang High School Athletes to come instruct and play games with the campers. ALL campers will be involved in Color Wars and our end of the year Camp Show.

Campers will follow schedules throughout the day and will have specific times set for lunch, recreational games, and swimming. These campers will also be scheduled to attend the events that come to camp.

Special Needs

Is your child classified by the Marlboro Township Board of Education? If so please contact us at 732-617-0100 to discuss the needs of your child prior to registration.

Please note the ratio of staff members to campers. If your child requires more supervision than we can provide it may not be in your child's best interest to apply for a program that does not suit his or her needs. If more supervision is needed we request that you provide information concerning your child in writing to the Recreation Department prior to enrollment.

Failure to provide this information prior to enrollment may result in your child not being admitted to the program. This will be due to the fact that the Recreation Department has not been provided with an adequate opportunity to assess whether or not it can make reasonable accommodations for the specific needs of your child.

Activities Camp

For ages 8-12, we offer a program that engages our campers in arts and crafts, coloring, dream catchers, tie dying, backpack and jewelry making, scrapbooking, karaoke, “salon days”, music and dance. These campers will also have a Camp Art show at the end of the year to display all the work they have done throughout the summer.

These campers will also have the opportunity to swim, play sports, create scavenger hunts, and participate in other camp events. Our activities camp will play an important role in our End of Camp Show and will participate in camp Color War.

KEEP IN MIND... The Swim Club Facility is not a nut free facility therefore parents of children with nut allergies should remind their child to be cautious of their environment.
