

MARLBORO TOWNSHIP Youth Exchange

Wouldn't you love for your child to explore and experience other cultures?

The Marlboro Township Youth Exchange program offers the unique opportunity for children ages 13 through 18 to travel to Japan or China as Student Ambassadors representing Marlboro Township.

For almost 30 years, exchange trips with both Nanto, Japan and Wujiang, China cities have successfully opened the door to foster a sense of global understanding, sharing unforgettable experiences for both visitors and host families.

We are seeking committee members and volunteers to join this unique effort.
