Dear Zoning Board Members:

Our office received the following information in support of the above-referenced application for Bulk Variance approval:

- Variance Plan (1 sheet) prepared by JV Engineering, dated March 21, 2021, unrevised;

In accordance with your authorization, we have reviewed this application for Bulk Variance approval and offer the following comments:

1. Project Description

The subject 29,542 s.f. property is within an R-20 AH-1 Zone District and contains approximately 140 feet of frontage along the west side of Rutledge Road, approximately 150 south of Whipple Way. Currently, the property contains a 2-story dwelling with associated front porch and walk, rear deck, an accessory swing set, and a paved driveway along the site frontage.

The Applicant is seeking Bulk Variance approval to construct an approximately 541 s.f. pool house within the southwest corner of the property.

2. Surrounding Uses

Properties along and opposite Rutledge Road are similarly zoned R-20 AH1 and contain a mix of residential parcels. Properties east of the site are zoned R-80 containing a mix of residential properties as well.

3. Zoning Compliance

The subject property is situated within an R-20 AH1 Zone District. The table below summarizes the bulk measures and zone requirements for the property.
